Workshops with the Bead Shop Scotland

22nd August 2010
Perth Concert Hall

The Bead Shop Scotland is delighted to offer six great workshops and an exclusive polymer clay demo at the Scottish Bead Fair, covering a range of skills with something for everyone.

Where and When?

All workshops take place on **Sunday 22nd August 2010** at the **Perth Concert Hall**, Mill Street, Perth.

What do I need to bring?

Each workshop has its own supply list (see over). If you're unable to get to either of our shops, don't worry – just give us a ring on 01620 822886, or order everything you need from our well-stocked **on-line store**.

How do I book?

Bookings for classes can be made either by calling us on 01620 822886, e-mailing info@beadshopscotland.co.uk, or in person in either our Haddington or Edinburgh branches. Telephone or e-mail bookings should be paid in full within 4 days. If you book two classes we'll also give you a 10% discount.

Important information

- All workshops are held in the rooms specified at the Concert Hall, Perth on 22nd August 2010 at the times shown. **Please arrive in good time as we do like to begin promptly!**
- It's important that you purchase any supplies that you will need in good time before your workshop starts.
- We require a minimum number of participants for each workshop. If a workshop is cancelled for any reason we will offer you another suitable class or a full refund.
- We supply bead boards and tools, but feel free to bring along your own tools if you wish.
- If you are unable to attend, please let us know as soon as possible – if we are able to fill your place, we will refund your payment.
- Workshops can be booked either in person at the Bead Shop, by telephone on 01620 822886, or alternatively by emailing us: info@beadshopscotland.co.uk Payment in full will secure your place on a workshop. Provisional bookings made by phone or e-mail must be paid for within 4 days.

Workshop information & supply lists

Texturing on Silver (metalwork) Sally Moore

Learn how to cut out and file sheet silver accurately to create the desired shape. Then learn how to soften silver to allow texturing. You will have the opportunity to experiment, prior to using silver. You will then be shown how to drill and attach any findings.

£7 to cover the cost of all materials is payable to the tutor at the time of the class.

Tilt Room 11.30am-1pm £12 plus materials

Beaded Crystals (beadweaving) Janet Hope

Janet teaches you how to transform a sparkling Swarovski crystal Rivoli, using tubular peyote stitch. She'll show you lots of examples of exciting ways to embellish the beveled bead with crystals and tiny beads. Some experience of beadweaving preferred.

- 1 x 12mm Rivoli
- 1 packet Delicas
- 1 packet size 15 seed beads

Earn Room 11.30am-1pm £12 plus materials

Embossing on Metal (metalwork) Sally Moore

If you're looking for a truly hands-on approach to working with metal (sawing, shaping, filing and embossing) then this is definitely the class for you. You'll learn all the basics, without the need for expensive equipment.

£7 to cover the cost of all materials is payable to the tutor at the time of the class.

Tilt Room 1.30pm-3pm £12 plus materials

Queen's Link (Chainmaille) Sandra Nelson

With the demand for Chainmaille continuing to grow, we welcome Sandra back with another fabulous weave. This is a great class for complete beginners to the technique.

- 64 x 6mm (int. diameter) Sterling Silver jump rings
 - 64 x 4mm (int. diameter) Sterling Silver jump rings
 - 1 Sterling Silver clasp
 - 1 large focal bead of your choice.
- Sterling silver wire and seed beads (if required) will be provided.

Earn Room 1.30pm-3pm £12 plus materials

Swarovski Pearl Knotting Fiona Watters

Swarovski pearls are the best money can buy, and they come strung onto silk thread all ready for you to knot using the double strand method. You'll also learn the traditional way to attach a clasp using French wire – a very handy technique!

- One strand of Swarovski pearls, in the size of your choice. One pack of 8mm pearls makes a 17" necklace (approx.) With other sizes, you may have some pearls left over – perfect for earrings or even a bracelet.

Please leave the pearls on the thread.

Tilt Room 3.30pm-5pm £12 plus materials

Crazy Wire torque (Wirework) Jen O'Flaherty

Our 'Crazy Torque' is always a sell-out, and if you love the design of that necklace, you'll be delighted with this new twist on the idea. Sparkling with Czech glass and cleverly constructed using pins and loops, this piece is simple to make and looks fabulous.

- 1 x torque
- 2 strands 6mm Czech glass, (in complimentary colours)
- 1 pack 2" eye pins
- 1 pack 6mm silver spacer beads
